On January 2, we were stunned by the news that one of our employees, 17-year-old Travis Smith, passed away suddenly and unexpectedly.

Travis was a fantastic kid – a hard worker, an honor student and a promising young bowler.

Travis was truly a special person. He was easy-going, kind-hearted, humble and friendly to everyone. He was one of those rare people that everyone liked.

As an employee, Travis always went above and beyond expectations. His knowledge of center operations was extraordinary and his desire to please customers was always foremost in his actions.

Travis touched hundreds of people without even realizing it. This was evident by the outpouring of grief displayed by hundreds of people upon hearing the news of his passing.

As we try to grasp how something like this could happen to anyone with so much life yet to live, we honor Travis's memory with this Memorial Tournament every year.

We thank you for your support.
